Millinery Matters.

Mrs. Ada Layne's fall opening oc curred last week. Hundreds of la dies were on hand to see the beautiful display of millinery goods-all the latest styles, and strictly up to New York fashions. Mrs. Layne has a very large stock of goods this sesson and the ladies find no difficulty in supplying themselves with every fabric usually kept in a first-class city ostablishment when they call on Mrs.

MRS. RODGERS. Mrs. M. E. Rodgers' millinery display last week was the "talk of the Allen's 9th St." town." All the latest designs in millinery goods were on exhibition and her rooms were crowded with visitors eager to learn of all the fall styles, well knowing Mrs. Rodgers' ability to impart the necessary information. Her stock this season is as usual complete in every particular, and she is already enjoying a handsome business. The ladies always see Mrs. nery purchases.
